

## **PHASE II of TEQIP**

- The Govt. of India already decided to implement Second Phase of TEQIP as a sequel to First Phase and as a **Centrally Sponsored Scheme** in which about 200 institutions from all over the country will be participating.
- Preparation activities have already been initiated at Central as well as State level.
- Project Implementation Plan for Second Phase has been finalized by the Govt. of India in consultation with World Bank, Planning Commission and Higher Education Departments of all Governments.
- The State of West Bengal has already been selected along with 22 other States / UTs by the National Selection Committee for participation in Second Phase.
- For being eligible to apply for selection the Stat Govt. have to commit:
  - a) Provide Project Funds as Grant to Govt. Funded, Govt. Aided and Private unaided Engineering Institutes.
  - b) Encourage participating institutions to obtain Autonomous Status as per UGC norms. **[WBUT already decided to establish autonomous engineering institutions in this State]**
  - c) Decentralize financial frame work in Project Institutions in the form of Block Grant funding for Non-Pan, Non-Salary item, granting retention of tuition and non-tuition revenues and establishment of four types of fund. **[This has already been implemented by this State in respect of all six Govt. Engineering Colleges during TEQIP – I]**
  - d) Filling up almost 100% faculty position in Project Institutes within the Project Period a portion of which may be filled by eleven months or more Contractual engagement.
  - e) Constitution of Board of Governors in Project Institutions as per UGC Norms.
  - f) Implement all Academic and non academic reforms as per Project Guidelines.
  - g) Conduct Pedagogical Training to all Faculty Members of Participating Institutions and also to extend this benefits to the faculty of Non-TEQIP Institutions on Cost-Sharing basis.

- h) Comply all Financial Management and Procurement Management Guidelines of the Project as per World Bank Norms.
- i) Establishment of SPFU in Higher Education Department with adequate staff and maintain the staffing with stability.
- All eligible Engineering Institutes of the State have been invited through newspaper advertisement, to submit Institutional Eligibility Proposal (IEP) under Sub component 1.1(.) **25 institutions submitted IEP.**
  - Out of that, **17 Institutional Development Proposals** (3 Govt. Funded + 5 Govt. Aided + 9 Pvt. Unaided) **have been submitted from this State** to National Project Implementation Unit for consideration for participation **under Sub Component 1.1 i.e. strengthening institutions to improve learning outcomes and employability of graduates.**
  - 3 Universities (University College of Technology-Calcutta University, Jadavpur University & Bengal Engg. & Science University) have already been selected for participation in the project under **Sub component 1.2 i.e. Scaling up Post Graduate Education and Demand Driven R & D & I.**
  - 2 Govt. Engineering Colleges (Govt. College of Engg. & Ceramic Technology & Jalpaiguri Govt. Engg. College) may be selected on satisfaction of certain deficiencies identified by National Evaluators.
  - JIS College of Engineering Kalyani, a Private Unaided Institution is also declared eligible subject to fulfillment of all mandatory Eligibility Criteria including Autonomous Status as per UGC norms within 30<sup>th</sup> June, 2011.
  - After selection process is over actual Project Outlay will be finalized.
  - Second Phase Funding will be by the Central and the State Govt. in the ratio of 75:25. However, Pvt. Unaided Institution participating in this Second Phase under Subcomponent 1.1 will have to bear 20% of their Project Allocation.
  - In the current years State Budget (2011-12) Rs. 12.50 crores proposed for State Share and Rs. 37.50 Crore for Central Share under Demand No. 13/Head of Account: 2203-00-112-SP(AP+EP)-010-31-02 for State Share and 2203-00-112-CS-001-31-02 for Central Share.
  - Implementation of TEQIP Phase II is expected to start from June 2011 after signing of MOU between MHRD and State Govt. and between State Govt. and Participating Institutions.

**New Institutes for TEQIP – II (Sub Component 1.1)  
Eligible to submit Institutional Eligibility Proposal (IEP)**

**A. Government Institute**

Sl. No.	Name of Institution	Year of establishment	No. of Courses	
			UG	PG
1.	West Bengal University of Technology			
2.	University Institute of Technology, Burdwan University, Burdwan			
3.	Govt. College of Engineering & Leather Technology	1919	03	01

**B. Government Aided Institutes**

Sl. No.	Name of Institution	Year of establishment	No. of Courses	
			UG	PG
4.	Calcutta Institute of Engineering & Management, Tollygunge, Kolkata	2003	05	Nil
5.	RCC Institute of Information Technology, Beliaghata, Kolkata	1999	04	Nil
6.	Birbhum Institute of Engineering & Technology, Suri, Birbhum	1999	06	Nil
7.	Bankura Unnayani Institute of Engineering, Bankura	1998	05	Nil
8.	Murshidabad College of Engineering & Technology, Murshidabad	1998	04	Nil
9.	College of Engineering & Management, Kolaghat	1998	05	Nil

**C. District-wise distribution of Self Financing Engineering & Technical Colleges in West Bengal**

Sl. No.	Name of Institution	Year of establishment	No. of Courses	
			UG	PG
	<b>KOLKATA</b>			
1.	B. P. Poddar Institute of Management & Technology, VIP Road	1999	04	Nil
2.	Techno India, Salt Lake	2001	06	01
3.	Heritage Institute of Technology, Chowbhaga Road	2001	06	05
4.	Bengal Institute of Technology, Dhapa	2000	04	Nil
5.	Meghnad Saha Institute of Technology, Near Rubi Hospital	2001	05	Nil
6.	St. Thomas College of Engineering & Technology, Khidirpur	2000	04	Nil
	<b>24 PARGANAS (NORTH)</b>			
7.	Gurunanak Institute of Technology, Sodepur	2003	06	02

8.	Narula Institute of Technology, Sodepur	2001	05	02
	<b>24 PARGANAS (SOUTH)</b>			
9.	Future Institute of Engineering & Management, Sonarpur	2002	06	Nil
10.	Institute of Technology & Marine Engineering, Diamondharbour	2002	05	01
	<b>HOWRAH</b>			
11.	M C K V Institute of Technology, Liluah	1999	05	01
	<b>HOOGHLY</b>			
12.	Academy of Technology, Adi Saptagram	2003	06	Nil
13.	Saroj Mohan Institute of Technology, Guptipara	2003	06	Nil
	<b>NADIA</b>			
14.	JIS College of Engineering, Kalyani	2000	06	04
	<b>BURDWAN</b>			
15.	Dr. B. C. Roy Engineering College, Durgapur	2000	06	04
16.	Aryabhatta Institute of Engineering & Management, Panagarh	2003	05	Nil
17.	Bengal College of Engineering & Technology, Durgapur	2001	08	03
18.	Durgapur Institute of Advanced Technology & Management, Durgapur	2002	06	01
	<b>BIRBHUM</b>			
19.	Bengal Institute of Technology & Management, Shantiniketan	2003	04	01
	<b>BANKURA</b>			
20.	Mallabhum Institute of Technology, Bishnupur	2002	06	Nil
	<b>MURSHIDABAD</b>			
21.	Dumkal Institute of Engineering & Technology, Dumkal	2001	05	Nil
	<b>MALDA</b>			
22.	IMPS College of Engineering & Technology, Maldah	2003	04	Nil
	<b>DARJEELING</b>			
23.	Siliguri Institute of Technology, Siliguri	1999	05	01

## TEQIP - II

### List of 25 institutes submitted the Institutional Eligibility Proposal under Sub-Component 1.1

#### Government Fuded Institutes:

1. West Bengal University of Technology
2. University Institute of Technology- Burdwan University
3. Govt. College of Engineering & Leather Technology.

#### Govt. Aided Institutes:

4. Calcutta Institute of Engineering & Management
5. Birbhum Institute of Engineering & Technology
6. College of Engineering & management
7. RCC Institute of Information Technology
8. Bankura Unnayani Institute of Engineering

#### Private Self Financing Institutes:

9. M.C.K.V. Institute of Technology
10. B. P. Poddar Institute of Management & Technology
11. Heritage Institute of Technology
12. Guru Nanak Institute of Technology
13. Meghnad Saha Institute of Technology
14. Dr. B.C. Roy Engineering College, Durgapur
15. Techno India, Salt Lake
16. Academy of Technology, AEDCO Nagar Adisaptagram
17. Saroj Mohan Institute of Technology
18. Narula Institute of Technology
19. Techno India college of Technology (TICT)
20. Bengal Institute of Technology & Management, Santiniketan
21. Bengal College of Engineering & Technology, Durgapur
22. Siliguri Institute of Technology, Siliguri
23. Institute of Technology & Marine Engineering
24. Future Institute of Engineering & Management
25. Bengal Institute of Technology, Basanti Highway, Hadia

**List of Institutes Submitted only PART – I or both PART – I and PART – II  
(Institutional Development Proposal) & recommended by  
State Steering Committee**

**Under Sub-Component 1.1**

**Government Funded Institutes:**

1. West Bengal University of Technology, Kolkata
2. University Institute of Technology, University of Burdwan, Burdwan
3. Govt. College of Engineering & Leather Technology, Kolkata

**Govt. Aided Institutes:**

4. Bankura Unnayani Institute of Engineering, Bankura
5. Calcutta Institute of Engineering & Management, Kolkata
6. College of Engineering & Management, Kolaghat
7. RCC Institute of Information Technology, Kolkata
8. Birbhum Institute of Engineering & Technology, Birbhum

**Private Un-Aided Institute:**

9. Heritage Institute of Technology, Kolkata
10. Academy of Technology, Adisaptagram
11. Bengal College of Engineering & Technology, Durgapur
12. Dr. B. C. Roy Engineering College, Durgapur
13. Future Institute of Engineering & Management, 24 Parganas(South)
14. Guru Nanak Institute of Technology, 24 Parganas (N)
15. M.C.K.V. Institute of Engineering, Howrah
16. Narula Institute of Technology, 24 Parganas (N)
17. Techno India College of Technology, Salt Lake

**List of Institutes submitted Institutional Development Proposal for Sub-Component 1.2, TEQIP – II**

**TEQIP – I Institution:**

**Universities**

1. University College of Technology – Calcutta University
2. Faculty of Engineering & Technology- Jadavpur University
3. Bengal Engineering & Science University, Shibpur

**Govt Colleges**

4. Govt. College of Engineering & Ceramic Technology, Kolkata
5. Jalpaiguri Govt. Engineering College, Jalpaiguri

**Private Un-aided Colleges**

6. Haldia Institute of Technology, Haldia
7. Asansol Engineering College, Asansol
8. Netaji Subhash Engineering College, Garia
9. Institute of Engineering & Management, Saltlake

**Non TEQIP –I Private Un-aided Institute:**

10. JIS College of Engineering, Kalyani
